

ITEM #: 662187518145

10" SLIM LINE LED AWNING LIGHT

Black

FEATURES

- Design with triangle shape for precise lighting scope
- High intensity output with single line LEDs
- Completely sealed circuit board to resist dust and moisture
- Protection rating at IP65 for exterior applications
- Tough aluminum base for efficient heat dissipation

PRODUCT DETAILS

ELECTRICAL/MECHANICAL

Color	Black
Voltage Range	10~15V
Lens Material	Silicon
IP Rating	IP 65
Dimensions(inch)	10X1X1
Current Type	DC (Direct Current)
Housing Material	Coated Aluminum
Amp Draw	400mA
Power	5.4W
CCT	5700-6200K
Lumen Output	270 Lumens

DIMENSIONS

	(Inches)	(mm)
Length	10	250
Width	1	24.3
Height	1	24.3
